“Kankan” in Japanese means a boater style hat. Our paper blade hats are tied with luxury grosgrain ribbons. We have baby [48cm] and kids size [53cm], both have adjustable head size and detachable chin straps. Children can keep them on even if they are really active! The hats can even be made into a little drawstring backpack for children to carry.

与Peanuts花生家族推出的合作款第二弹！如婴儿脸一般大小的snoopy以及查理的头像让人过目难忘！60年代描绘出的卡通形象搭配上红黄蓝三种基础色调，复古感油然而生。大胆的构图令人不禁联想到同时代的POP潮流艺术，是只有MARLMARL才能表现出的别具风味的艺术感。

Our 2nd collaboration with the worldwide favorite good ol' boy wonder and his dog. Giant 3-dimensional faces of vintage Snoopy and Charlie Brown are placed on each bib and boldly popping out! With stylish designs and faded colorings, their iconic artistic feel is reminiscent of 1960's pop art.
